Subject: Delegation of Authority for Memoranda of Understanding (MOU) with County Governments

The authority for signing Memoranda of Understanding with County Governments is currently delegated to the District Manager. Recognizing that our Area Managers are typically responsible for maintaining productive relationships with County Governments, I hereby authorize District Managers to redelegate to the Area managers the authority to sign MOUs with the County Governments within their area of responsibility.

This change in delegation of authority will be included in the next revision of the delegation of authority manual.
